July 20, 2021

Finance Committee on July 20, 2021 at 5:30pm. The following were present:

Councilman, Dwayne Cassidy
Councilwoman, Susan Moore
Councilwoman, Joan Felver

Councilwoman, Elaine Root
Police Chief, Thomas Hintz
Fiscal Officer, DiAnn Jamerson
Mayor, Cassandra Fryman
Fire Chief, Richard Metzger
Rebekah Fearing, Administrative Assistant

Mrs. Felver went over changes made in the Wage Range Ordinance. Changes took place mostly at the top end of the scales. There were a few changes to some of the lower ends.

Some job titles were removed because the majority of utility personnel are a combination of doing street, water, sewer, electric. Items removed were the following:

Part-time Administrative clerk, Equipment operator, Lineman Apprentice, and Probationary Full time Police Officer. Also, under lifeguards a range was created instead of a single rate per the years as a lifeguard.

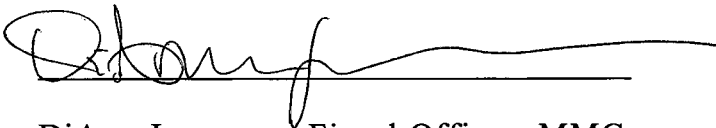

A range was also added for Part time Patrol Officer and School Resource Officer.

The committee felt these were good changes and would like it put on the Council agenda for July 27, 2021.

It was mentioned the position the Village currently needs to look at filling are the following: Cemetery Sexton, Assistant Utility Clerk, Utility worker, and Administrator.

Meeting adjourned at 6:04pm.

Respectfully submitted,

DiAnn Jamerson, Fiscal Officer, MMC
