

RECORD OF PROCEEDINGS

VILLAGE OF PLYMOUTH Rules Committee Minutes

July 21, 2020

Rules Committee met in the Mary Fate Park on Tuesday, July 21, 2020 at 1:00pm. It was recorded and available to view via link on Facebook. The following were present:

Councilwoman, Elaine Root
Councilwoman, Joan Felver
Councilwoman, Susan Broderick
Councilman, Matt Patrick

Administrator, Tom Rusynyk
Utility Clerk, Deb Cassidy
Mayor, Cassaundra Fryman
Fiscal Officer, DiAnn Jamerson
Administrative Assistant, Rebekah Fearing

Visitors: None

Discussion took place on public input on Facebook. It was decided to recommend that public input be by messenger or by email to the Mayor to be received the Monday prior to the Council meeting by 6:00pm. Or in person 1 at a time as long as recommendations by the State are met, including social distancing and masks.

It was also brought up to look into a policy regarding cell phone use while in Council meeting.

Review of the golf cart legislation. It was thought that things should be defined a little more than they currently are. Such as crossing state highways, crossing sidewalks and not to be drive on. It was also stated to be more specific on age requirements and the items the State requires.

These items would be an amendment to the current legislation.

Also motorized wheelchairs, scooters, and hover boards were mentioned.

It was asked if the animal ordinance required a footage requirement for chicken pens. If a neighboring resident has an issue they would need to file an obnoxious odor complaint. It is not only under animals but other areas on the Plymouth Codified Ordinances.

Planning Commission to meet on Wednesday the 22nd, at 9:30 am.

Meeting was adjourned.

Respectfully submitted,

DiAnn Jamerson, Fiscal Officer, MMC
