Mrs. Moore felt with the state of the economy this might not be the right time to add a new tax. She also felt we should explain how much a 1mil levy would cost the taxpayer and what it is for.

The Fiscal Officer stated it would bring in approximately \$20,000.00 per year. The cost would be (.10) ten cents per \$100.00 of the assessed value of the home. If the assessed value is \$ 50,000.00 then the cost per year would approximately \$50.00.

Discussion took place on why it is important to explain the need and what it will cost taxpayers.

It was moved by Mr. Brown and seconded by Mrs. Carter to accept on the third and final reading.
