This meeting was called to review a variance for a garage and farmland that would like to be removed from the corporation limits.

The committee recommended approving the variance on the garage. It was moved by Susan to approve the variance for 8 ft. exception to council and seconded by Randy Adams. Sherri asked if the next step was to get a building permit. The committee stated yes. Sherri thanked the committee and left the meeting.

Next, Tom has gone over the farmland issues. The property was outside the corporation limits but was annexed in. The Mayor suggested sending this on to Council to vote on. Randy Adams agreed.

Rebekah Fearing mentioned it looks more like a correction.

Randy Adams moved to send the issue of farmland to Council for a vote; Stephen Dills seconded it.

Tom recommended Joel attend the next Council meeting in two weeks

Respectfully submitted,

Cassandra Fryman, Mayor
